Re: Invitation to the “Know Your Status HIV Conference” at the Prince Albert INN on March 1st & 2nd, 2023

We would like to invite you to the Know Your Status Conference in Prince Albert at the PA INN on March 1st and 2nd, 2023. The intended audience are Community Members, Chief and leadership, Health Directors, Health Councilors, Community Health Nurses and other relevant front-line staff from all Saskatchewan First Nations communities. The forum is hosted this year by Northern Intertribal Health Authority and its partnership (Peter Ballantyne Cree Nation, Prince Albert Grand Council, Meadow Lake Tribal Council & Lac La Ronge Indian Band).

This event is an opportunity to exchange knowledge and education on the Know Your Status Program and HIV education related topics. Information on areas such as HIV, Hepatitis C, Syphilis, Addiction, Harm reduction, Stigma and Mental health will be offered. A full agenda will be made available at a later date.

Yours in health,

Jessie Depeel
HIV Strategy Coordinator
